The Planning Commission will review the request for compliance with applicable criteria based upon information in the staff report and comments received. A staff report, incorporating written comments received by the City, will be available for review at Veneta City Hall 7 days prior to the meeting. Copies of the applicable ordinance, the application, the staff report, and related documents can be purchased for the cost of copying. The meeting will follow the city land use hearing rules of procedure.

An appeal of the Planning Commission's decision would be to the Veneta City Council. Failure to raise an issue accompanied by statements or evidence sufficient to afford this Commission and the parties an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals (LUBA) based on that issue. The failure of the applicant to raise constitutional or other issues relating to proposed conditions of approval with sufficient specificity to allow this Commission to respond to the issue precludes an action for damages in circuit court.
